Total Cost for the Year = \$40,746.54

*College Opportunity Fund (COF) is a state stipend to reduce Colorado tuition by \$104 per credit hour. This may adjust in the 2022/23 academic year and is set by the State of Colorado. To receive the COF stipend, you MUST be a Colorado Resident, complete the COF application at <https://cof.college-assist.org> and then authorize COF in the myUCCS portal.

**Includes one time fees of \$140: Matriculation Fee, Student ID Fee, and Orientation Fee.

*** Housing charge shown is the average cost with meal plan included. Housing rates will increase or decrease depending on the room selected. Rates shown are pending approval from the University of Colorado Board of Regents.

Undergraduate lower division (freshman/sophomore) tuition rates are discounted. When you become a junior (60+ credit hours) your tuition rate will increase. Please review the undergraduate upper division (junior/senior) tuition rates for the college/program in which you are enrolled.
